

RoboVis 2018

Poster Session

When: Tuesday, 7th August from 3:30pm-5:00pm

Contact: Poster Session Coordinator: Yasir Latif,
yaris.latif@adelaide.edu.au

Rules

- Open to all researchers
- Project Leaders are asked to nominate at least one project member (PhD researcher or Research Fellow) to present their recent project work
- Each presenter is required to prepare one A3 poster in portrait using the Centre template. This must be submitted **by Friday, 20th July** as printing will be arranged centrally.

On The Day

- You will be required to set up your poster and give a brief presentation at your poster stand.

Suggestions

- A research poster is a visual presentation of your research and findings. It should be concise and focused and explain your research using images, graphs/charts, tables and other visual strategies with minimal supporting text.
